Marwell Wildlife is a registered charity dedicated to the conservation of biodiversity and other natural resources. Our 140 acre zoological park in the heart of Hampshire is home to over 180 exotic and endangered species in beautiful landscaped surroundings.

These cover areas such as the Animal Department, Plants and Grounds, Guest Operations, Marketing, Conservation, Education, IT, Finance, Human Resources, Maintenance, Functions etc. so there are lots of ways to be a part of the Marwell family.

What we're looking for

Each of our roles has specific requirements. However, common to them all is our desire to recruit individuals who embody our brand values, are enthusiastic about Marwell's vision and committed to welcoming and delighting our guests.
