

Safari sunset

Enjoy an exclusive tour of the park after hours and meet the staff who care for our animals on a daily basis. Sunset safaris make a perfect addition to corporate functions and are ideal for family and social groups wanting an evening with a difference.

Safari only

Our keepers will welcome you at the front gate at 6.30pm and then take you on a two hour guided tour of the park, revealing some surprising facts about our extensive animal collection.

Safari & BBQ

Why not extend your stay and enjoy a BBQ after your safari served by our friendly functions team at Marwell Hall, our grade I listed hall in the centre of the park? We'll then transport you back to your car by means of our road train.
