

Frequently asked questions

January 2021: The zoo is currently closed due to the current Government Lockdown (Tier 5) and this document will be updated when we are able to reopen.

Pre-visit information

Is the zoo open?

In line with the latest Government advice for zoos in Tier 4, we remain open with all our indoor animal houses and our Gift Shop temporarily closed and our catering outlets serving takeaway only until the restrictions are lifted. To comply with the law, please check the UK Government's Tier guidance on who you can meet outdoors. We're strictly limiting numbers each day to ensure guests can keep a safe distance so all guests including members, children and carers must book a timed entry slot online* before they arrive.

Tickets will be released four days ahead only.

*Please take care when booking online, if you are unsure if your booking transaction has completed, do not press the back button or attempt a fresh booking as you may be charged twice. We recommend that you wait a few minutes and then check your email for the confirmation to avoid duplication of payment. If we are asked to cancel a duplicate booking it may take up to four weeks for this to be processed.

What safety measures are in place?

The health, safety and wellbeing of all our guests, staff and animals remains our top priority and we are committed to following the guidance provided by the government and all legal requirements. We've implemented a number of changes at the zoo to ensure our 140-acre zoo is safe.

- We are strictly limiting the number of guests and members each day to ensure everyone has a safe and memorable day with us, while fully adhering to the government's physical distancing and safety guidelines. This means both members and non-members as well as children and carers need to book a timed entry slot online before arrival, and we won't be selling tickets at our gates.
- As we are currently in Tier 4, only outdoor areas will be open to guests. All our indoor animal houses and our Gift Shop will temporarily close while our catering outlets will serve takeaway only.
- To comply with the law, please check the UK Government's Tier guidance on who you can meet outdoors.
- Payments at the zoo are by card only and we'd really appreciate you using contactless, now with £45 limit, wherever possible.
- We're asking you to stay together and away from other guests, keeping your children at hand holding range. It's important to keep moving around the enclosures so all guests can see the animals.
- There are new one-way routes on narrow paths, and you will be asked to keep left on wider walkways.

- There are plenty of additional hand sanitisation stations dotted around the zoo so please make use of them.
- Café Graze, and our outdoor catering outlet Okapi are open for takeaway only.
- You'll see us cleaning a lot more but please help us by avoiding touching fences, windows, signs and exhibits.
- We've opened our adventure play areas but please follow the safety advice.
- We are carefully monitoring toilet facilities to control numbers and regular cleaning is taking place throughout the day.
- We've installed a lot of signage on safety measures around the zoo so please follow all floor distance markers and guidance.

How can I help Marwell at this difficult time?

We are asking all guests to donate and Gift Aid their tickets to support the zoo during this unprecedented time. You can also donate online, join us as a Marwell member, adopt an amazing animal or even start your own fundraising activity. Your generosity will ensure we can go the extra mile caring for our animals. Every penny adds up and so does our gratitude, so thank you for your loyal support – Marwell simply couldn't do what we do without you.

Can I still use cash at the zoo?

Payments are by card only and we'd really appreciate you using contactless, now with £45 limit, wherever you can.

Will I be told to park any differently?

You can still park at the zoo free of charge as normal but please park considerately. If the car park is staffed, please follow directions. Otherwise try to park next to an empty car or wait until your neighbour has moved on. When unloading, please do so as quickly as possible. Please respect physical distancing measures when leaving and returning to your car by following all queueing signs and distance floor markings.

Don't forget please leave your scooters in the car and pets at home! We call the police in every case where we find animals left in any vehicle.

Staying safe

Do I have to wear a face covering at the zoo?

In line with government guidance, you must wear a face covering in all indoor spaces of the zoo including our catering outlets and toilets (with the exception of children under 11 and those with medical or other exemptions.)

Where do I find hand-washing facilities?

All our toilets have hand-washing facilities, you'll find some extra sinks outside the Tropical House exit and we have installed lots of extra hand-sanitising stations around the park so please make use of them.

Do your staff wear face coverings at the zoo?

All staff and volunteers are required to wear face coverings (unless exempt) in indoor guest areas within the park. This includes animal houses, gift shop, admissions gates,

indoor catering outlets, indoor picnic areas and toilets. However, staff working behind screens will not be required to wear a face covering. Some staff must wear PPE where it's a necessity for their role, for example our first aid team and for biosecurity measures adhered to by our keepers.

Do you offer a first aid service?

Yes, we are providing first aid however for the safety of our guests and staff please try not to ask for assistance with very minor injuries such as wasp stings and light grazes. We strongly recommend bringing a small first aid kit to the zoo including insect bite cream and plasters. Our first aid team wear face visors and the necessary PPE in line with government guidelines and they maintain a safe distance where possible.

Our animals

Are your animal houses and walk through exhibits open?

All our animal houses are temporarily closed until our Tier 4 restrictions are lifted.

Have you prepared the animals for an influx of guests?

Yes, we have been gradually increasing numbers of people passing by the animals starting with members of staff and volunteers, then through limited numbers of guests. Animal welfare is a priority at Marwell Zoo, and they all have plenty of space and choice about where to spend their time including quiet locations both outdoors and indoors. Our animals are always closely monitored by our expert team, which includes keepers, vets, an animal behaviourist and nutritionist, who continually assess all aspects of animal husbandry, health and welfare.

Do you have any animal talks running?

Unfortunately, we cannot offer any animal talks which encourage gatherings of guests due to physical distancing regulations and all touch tables are also closed. However, please see our website, social media and download our Marwell Zoo app to learn more about our animals.

What should I expect from my visit to the zoo?

We encourage guests to imagine Marwell Zoo as a walking safari. With 140 acres of beautiful parkland to explore, you'll need to allow 4-5 hours for your visit. Stroll around with a patient and watchful eye. If animals are not immediately visible, they could be resting in their den or under a shady tree so make time to pop back later. It will be worth the wait.

Food and drink

Are there any changes to your cafes?

Café Graze, and our outdoor catering outlet Okapi are operating a takeaway service only. Face coverings must be worn.

Can we bring a picnic?

You're very welcome to bring your own refreshments to enjoy - we've created extra picnic areas but please be mindful we are an outdoor attraction. During the time we remain under Tier 4 restrictions our picnic huts are closed. Please dress appropriately for the weather!

We regret member discounts on additional tickets are temporarily suspended. Please note that due to the need for pre-booking and controlling guest numbers, we are not currently selling group or bulk tickets or individual gift tickets.

Are you extending memberships at all due to your closure?

All annual memberships were temporarily suspended while the zoo was closed during the national lockdowns and any lost time was added automatically and they will scan at admissions - you do not need new membership cards to be printed. However while the zoo is still open and as a conservation charity, we cannot extend memberships if guests are unable to travel for reasons out of our control. Thank you for your continued support and understanding.

Alternatively, if you would like to donate this "time" to the zoo, instead of an extension, we would be extremely grateful, and it will support the ongoing care of our animals. Please contact our membership team.

I bought a membership online before or during lockdown and have not yet had a chance to get our membership cards. What should I do?

If you have received a letter detailing your membership number, you can use that to book your visit and to present along with your booking reference number on your first visit. If you purchased a membership online, the membership team will be in touch with your membership number shortly (if they have not already). You'll need both your

membership number and your online booking reference number at the front gate for access.

I'm a member and I can't book a ticket as they are all filled. What should I do?

We've significantly increased the number of slots for members compared with the numbers of member visits last year. We expect to experience a high demand for these places but please be patient! Please be mindful of how often you revisit so all our members can enjoy the zoo.

I have lost or misplaced my membership card. What should I do?
