

## KS1 All About Animals

### Session Description

This is a fun, interactive session for KS1 pupils which is all about animals!

The pupils are able to choose which animals they want to learn more about. There are activities to complete for each animal and these meet a range of learning styles. The session also includes meeting live animals and the pupils can ask as many questions as they would like about them! The session is flexible to the needs of the group and can be tailored to most topics.

### Learning Objective

To find out about the animals at Marwell.

### National Curriculum Links

The curriculum links are dependent on which direction the session follows. However, links are likely to cover information from the following areas:

#### SCIENCE

##### Working Scientifically

Year 1 Animals, including humans

Year 2 Living things and their habitats

Year 2 Animals, including humans
