**I am going to Marwell Zoo**  
Pre visit guide

At Marwell Wildlife there is a lot to see. There are buildings, animals, plants, cafés, a gift shop, toilets, and children's play areas. There is a tractor train. There are Marwell staff and visitors.

I am going to Marwell with my school.  
I will go in a bus, minibus or coach.  
From the Marwell car park we will  
walk to the entrance.

My teacher will tell the Marwell gate staff how many people are visiting from my school.

If it is a busy day I will see lots of other people. The other people will be at Marwell to see the animals.

They will also be in the café, using the toilets and play areas and visiting the shop.

I know lots of things about Marwell Wildlife. I know that the zoo might be busy but that there are quiet areas. I will always be with my adult and if there is anything or anywhere that I don't like I just need to tell my adult.

There are lots of staff at Marwell and they will always be happy to help me.

At the end of our visit I will go back through the gate to the bus and back to school.
