

# Research Proposal

Please complete this document with as much detail as possible and e-mail to [danif@marwell.org.uk](mailto:danif@marwell.org.uk) who will direct it to the relevant department. Each research/data request Marwell receives is reviewed by the appropriate team who may be required to facilitate or advise on the project. This enables us to assess proposals, track their progress and finally evaluate our overall contributions to science.

Project title*		
Decision required by* (date)		
Principal research name*		
Telephone number		
Personal e-mail address*		
University e-mail address (if relevant)		
Will there be co-workers?* (if yes, please provide name, role, e-mail address and institution separately)	Yes	No
Is the project contributing to a qualification?*	Yes	No
If yes...		
Academic level		
Course title		
Supervisor name		
Supervisor e-mail address		
Institute/organisation name and address*		

What area does your request fall under?* (please tick one option)	Animal welfare or management	
	Conservation biology	
	Education or public engagement	
	Social impact	
	Sustainability	
	Veterinary science	
	Other (please describe):	
Prospective start date*		
Abstract*:		
Project aims and objectives*:		

Project null hypothesis\*:

Project alternative hypothesis\*:

Project rationale\*:

**Methodology and work schedule\*:** (please include information on data collection process, data analysis methods and relevant dates)

Key references\*:

Key references*:		
Data requirements* (please tick all that apply)	Access to existing data	
	Behavioural observations	
	Biological samples (please include details of the sample/s required and collection protocol in a separate document)	
	Interview/s	
	Survey/questionnaire completion (please provide a copy in PDF format)	
	Other (please specify):	
Has this project received approval?* (please tick all that apply and attach supporting documentation)	BIAZA	
	EAZA	
	Other	
	No approval sought	
Does your project require ethical approval?*	Yes	No
If yes, has ethical approval been granted? (please attach evidence)	Yes	No
Are permits or licenses required?*	Yes	No
If yes, have these been granted? (please attach evidence)	Yes	No

Research outputs* (please tick all that apply)	Conference poster/presentation	
	Conference proceeding	
	Contribution to a book	
	Dissertation/thesis	
	Peer-review paper	
	Popular article (inc. press release)	
	Project/technical report	
	Other (please specify):	
Space for additional information:		

All sections marked with \* must be completed

Thank you for completing our research proposal document. We will be in touch once your project has been discussed.

Please note, by completing this form you consent to us holding securely, for up to 10 years, the personal data supplied. To learn more about how we process and hold personal data, please read our privacy notice: <https://www.marwell.org.uk/zoo/misc/privacy-notice>
