Session Description

This session is based around the story of animals gathering for a picnic. The session uses puppets to help children think about conditions in a rainforest. The children find out about the different rainforest layers and think about what sort of food the different animals would eat.

Learning Objective

Learning objectives

Pupils gain a greater understanding of conditions within a rainforest

Learning outcomes

All children:

Can describe a rainforest as warm and wet and be able to name some rainforest animals

National Curriculum Links

Prime areas of learning

Communication and Language:

Listening, Attention and Understanding
Speaking
Managing Self

Physical Development:

Gross Motor Skills

Understanding the World:

The Natural World

Specific areas of learning

Literacy development:

- Comprehension
Demonstrate understanding of what has been read to them by retelling stories and narratives using their own words and recently introduced vocabulary;
- Anticipate – where appropriate – key events in stories;
- Use and understand recently introduced vocabulary during discussions about stories, non-fiction, rhymes and poems and during role-play.
