

Multi-skilled Electrician

A great opportunity has arisen for a Multi-skilled Electrician to join our Maintenance Team. Working 40 hours per week over 5 days (to include weekends and bank holidays on a rota basis) this role will be responsible for the installation, repair and maintenance of all electrical systems, equipment and components.

Applicants must have an 18th Edition Current Regulations City and Guilds Electrical qualification (or equivalent). This role will also involve helping other members of the Maintenance Team and therefore the successful candidate must be able to carry out a number of trades with confidence and skill. Previous experience in building services and maintenance, including a basic knowledge of plumbing, carpentry and painting & decorating is essential.

To be a successful member of the Maintenance Team you will need to be hard working, willing to learn and develop and have excellent attention to detail.

Due to the need to drive park vehicles, candidates must also hold a full driving license valid for the UK.

If you would like to join our unique and vibrant organisation to become a part of the Marwell Family, please view the full candidate brief below and send a completed application form to jobs@marwell.org.uk.

Salary: £30,900.00 per annum

Closing Date: 07 May 2024

Potential Interview Date: W/C 13 & 20 May 2024
